- West 62nd Street from Barberton Road to Denison Avenue

Purpose of the Meeting:

The purpose of the meeting is to inform the public about the Denison Avenue Utility Upgrade and Repaving Project construction project and to answer questions that the public may have regarding the impacts of the project work on their properties.

Project Construction Costs and Funding Sources: \$9,100,000

- | | |
|--------------------------|-------------|
| • Cleveland Public Power | \$7,000,000 |
| • City of Cleveland | \$1,250,000 |
| • Cuyahoga County | \$850,000 |

Project Work Scope:

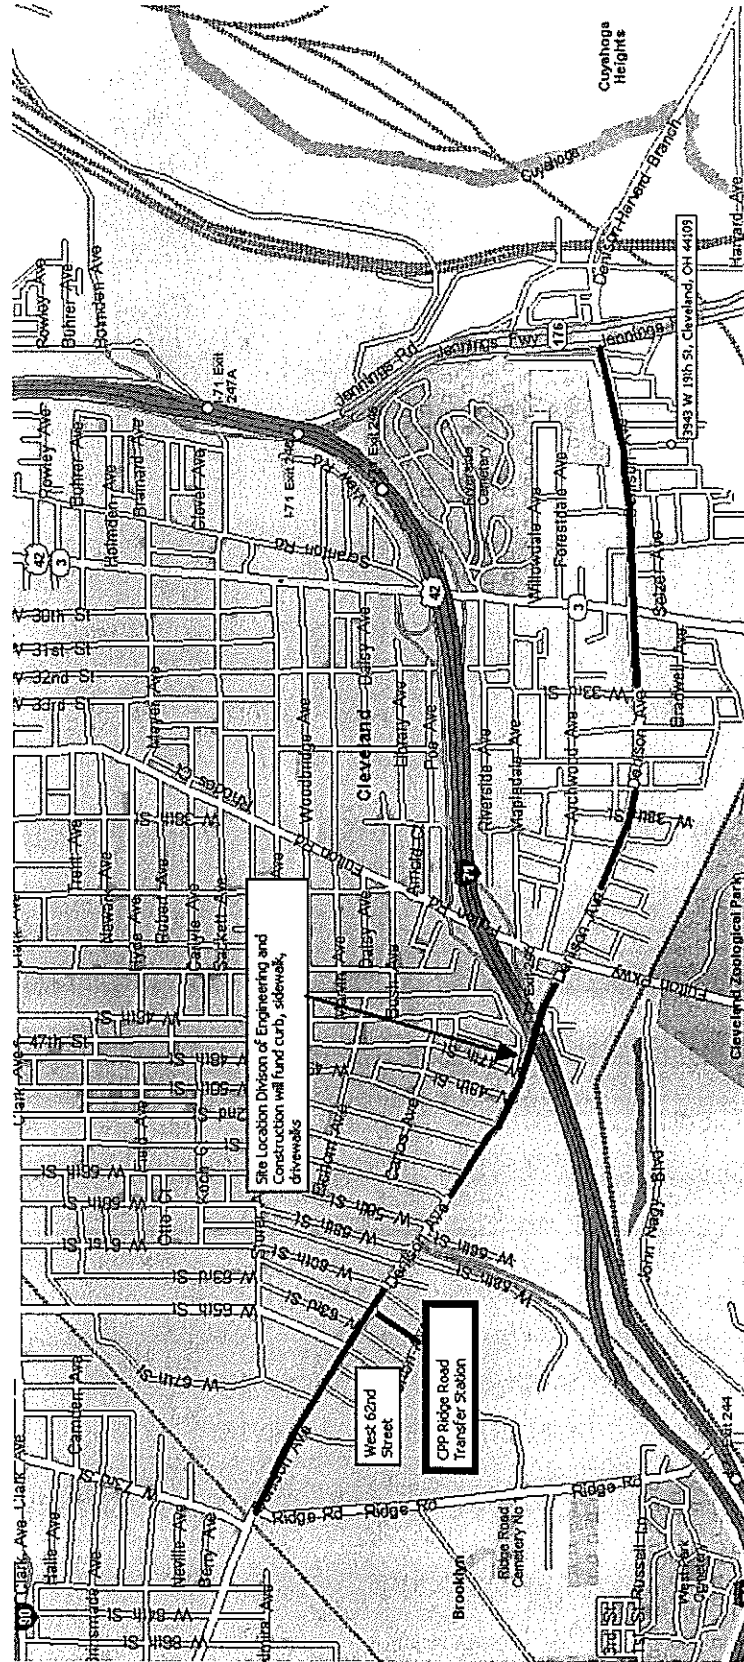

- A new CPP duct bank is to be installed underground along Denison Avenue from W62nd to SR176, Jennings Freeway and along West 62nd Street from the railroad property south of Barberton Avenue to Denison Avenue.
- Associated utility facility relocations.
- Pavement base repairs.
- Pavement resurfacing.
- Repair of curb, sidewalk and driveways, where necessary.
- Replacement of existing catch basins, where necessary.
- Installation of ADA compliant ramps at all intersections.
- Placement of pavement markings, including bike lanes/sharrows.

Anticipated Project Schedule and Maintenance of Traffic:

- | | |
|--|-----------------------------|
| • Phase 1A - West 62 nd to Fulton | January to August, 2014 |
| • Phase 1B - Ridge to West 62 nd | January to June 20, 2014. |
| • Phase 2 - Fulton to Pearl | August, 2014 to April, 2015 |
| • Phase 3 - Pearl to S.R. 176 | April to December, 2015 |
- Vehicular and pedestrian traffic will be maintained during construction.
 - One way traffic will be maintained at all times along Denison.
 - Traffic will be maintained to all businesses and residences.
 - Signed detour routes along Clark will be provided for traffic travelling in the direction of the closed lanes.
